Declares Andrew Wilson Attacked at Hearing.

ing about the country making deals to further the candidacy of Gen. Wood.

America with profit, and was positive that the passage of the bill would not seriously interfere with private lines. It is intended to avoid competition with them wherever possible, he said.

In his 48-page letter to Senator James Smith states that it was the opinion of the States that it was the o

cent glass of beef. Even some of these new war millionaires would balk at that. But, of course, there is a way out. When used for mechanical purposes there is no tax. Every human drew Thomas, treasurer; James Butler, sergeant-at-arms; George Patterson, as-Also it's free when used medicinally. Why not take it as medicine then instead of as a beverage?

At nineteen Bryant wrote "Thanatopsis."
